ACTIVITY	DESCRIPTION	AMOUNT
Snow Plowing	Plowing - Per storm up to 8" \$100	
	Plowing - Per storm over 8" \$150	
	Sanding, as needed - Per trip \$100-\$150 (priced based on amount of sand needed)	
	Can wing back the road banks if widening becomes necessary for an additional \$50, as needed	
	I would estimate Sanding to be necessary 5-6 times per season	
	I would estimate road widening to be necessary 2-3 times per season
